Abreva Apply the ointment to the product label, directions and warnings.

Drug Facts

Active Ingredient	Purpose
Docosanol 1.5%	Cold sore/fever blister treatment

Uses

- treats and soothes/relieves blisters on the lips or lips
- shortens healing time and duration of symptoms

Warnings

For external use only

Do not use

- if you are allergic to any ingredients in this product

When using this product

- apply only to affected areas
- do not use in or near the eyes
- avoid applying directly to the lips
- do not share this product with anyone. This may spread infection.

Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.

Directions

- adults and children 12 years of age or over:
 - wash hands before and after applying ointment
 - apply to affected areas on lips or lips at the first sign of cold sore/fever blister eruption. Early treatment ensures the best results.
 - rub in gently but thoroughly
 - use 5 times a day until healed
- children under 12 years: see 1 & 2 above

Other information • store at 20°-25°C (68°-77°F) • do not freeze
